## **About Junior Achievement...**

### **Our Mission**

To inspire and educate young Canadians to value free enterprise, understand business and economics and develop entrepreneurial and leadership skills by increasing confidence in their self-sufficiency.

### **Our Vision**

We will be vital to the success of our youth in reaching their potential through partnership with business and educators in delivery of relevant business learning experiences by inspired volunteers.

### **Our Goal**

To ensure all children and youth of our community have the opportunity to experience at least one JA program during their educational years.

Locally, Junior Achievement of London and District's programs will reach over 10,000 youth each year.

The business community's generous support enables JA to profoundly impact the youth of our community.

## London Business Hall Of Fame

Junior Achievement of London and District Inc. established the London Business Hall of Fame (LBHF) in 1990. Each year, in recognition of their contribution and outstanding ethics in business, the inductees of the LBHF are nominated and selected from the brilliant and exceptional members of London's business community. These individuals exemplify the definition of "entrepreneurship" through their willingness to accept the challenges, risks, and outcomes of business enterprise. Their vision, commitment, and energy have been contributing factors in shaping London's past and present leading to the vibrant community London is today. These distinguished business leaders have sown the seeds of greatness from which local youth have reaped, are reaping, and will continue to reap to create a solid foundation for their futures.
